

# ***Spider Control Inc. Service Guarantees:***

**Standard Spider Control Plan:** This exterior treatment is guaranteed for 30 days. We recommend 4 or more treatments per season. If you have any new webs within 30 days we will re-treat any problem areas free of charge.

**Semi-Annual Plan:** Two applications scheduled 8-10 weeks apart, guaranteed all season. Guaranteed until October 31.

**Premium Protection Plan:** One exterior treatment is guaranteed for spiders only, from the time of the application until October 31 of that season. If you require a touch-up on your home, it is free of charge. Landscaping is not guaranteed throughout the season due to trimming, rain, irrigation systems, etc. If you wish to have your landscaping retreated with the house there will be a minimum fee starting at \$25.00.

**Platinum Protection Plan:** Same guarantee as the Premium Plan and Semi-Annual Plan with 2 treatments.

**Wasp Control Plan:** This exterior treatment is designed to help control paper wasps only (exposed nests). The treatment is guaranteed for 30 days. Monthly applications are recommended. This will not prevent yellow jackets, bumble bees, honey bees, or any type of void nest. Void nests can be in a wall, attic, soffit, tree, ground, etc.

**Nest Removal/Injections:** Any nest removal or injections are guaranteed. Nest injections may take up to 10 days for complete elimination. Any new nests will be an additional charge.

**Interior Spider Applications:** All interior applications are guaranteed for 30 days.

**Interior Ant Treatments:** Treatments are guaranteed for 90 days if two applications are applied two weeks apart. One application is not guaranteed it is a control measure only.

**Mosquito Abatement:** Treatment is an abatement designed to reduce populations, this is not an elimination. We recommend monthly applications for maximum control.

**\$10 SPIDER BUCKS™ \$10**

Refer a friend, neighbor, relative or a new customer and you will receive **\$10 OFF** your next treatment. We can also assist you with bee and wasp problems.
